Under COBRA, you may choose to continue coverage under any or all of the plans you had at the time your coverage ended.

For an overview of plan benefits and limitations, see your *Benefit Plans Handbook* (available at www.ventura.org/benefits). The COBRA premiums shown are based on the full premium costs for coverage plus a 2% administrative fee. Different premiums apply after the initial 18 months of coverage for those who are eligible for extended coverage due to disability and for those who are eligible for extended medical coverage under CalCOBRA.

Our COBRA plans are administered by JHC Administrators (888-542-4467).
