The Ventura County Health Care Plan (VCHCP) is a service oriented, County sponsored Health Maintenance Organization (HMO) that offers an extensive range of benefits and low out-of-pocket expenses. Established during the 1993-94 fiscal year, the Ventura County Health Care Plan was developed as a practical and cost effective option for providing health care services to County employees and their covered dependents. Now in its third decade of operations, VCHCP continues to provide:

- Comprehensive Benefit Package
- Low Copayments
- Local Administration
- Responsive Customer Service
- Convenient Access
- Recognized Primary Care Providers
- Board Certified Specialty Providers
- Nationwide Pharmacy Network
